PUTTING THE 'COMMUNITY' IN COMMUNITY SOLAR

Subscribers

- Local service, headquartered in Denver, CO.
- Excellence in customer care
- Our employees are our customers

Local Businesses

- Subscribers can choose gift cards to local businesses when they sign up
- Over \$100,000 has been invested in local businesses.

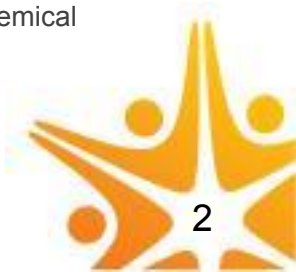

Landowners

- We help farmers preserve their land and even grow crops alongside solar through innovative agrivoltaic developments.

The Planet

- When possible, we design our gardens to serve as a habitat for bees and butterflies that pollinate local farms.
- We try to build on brownfield sites, which include land with limited use such as old landfills or chemical spill sites.

Average Impact*

Take 28 cars off the road

104,000 pounds of burned coal avoided

1,346 CO2-absorbing trees planted.

*Average impact over the 25 year life of the garden. Estimated based on average household energy consumption per eia.gov

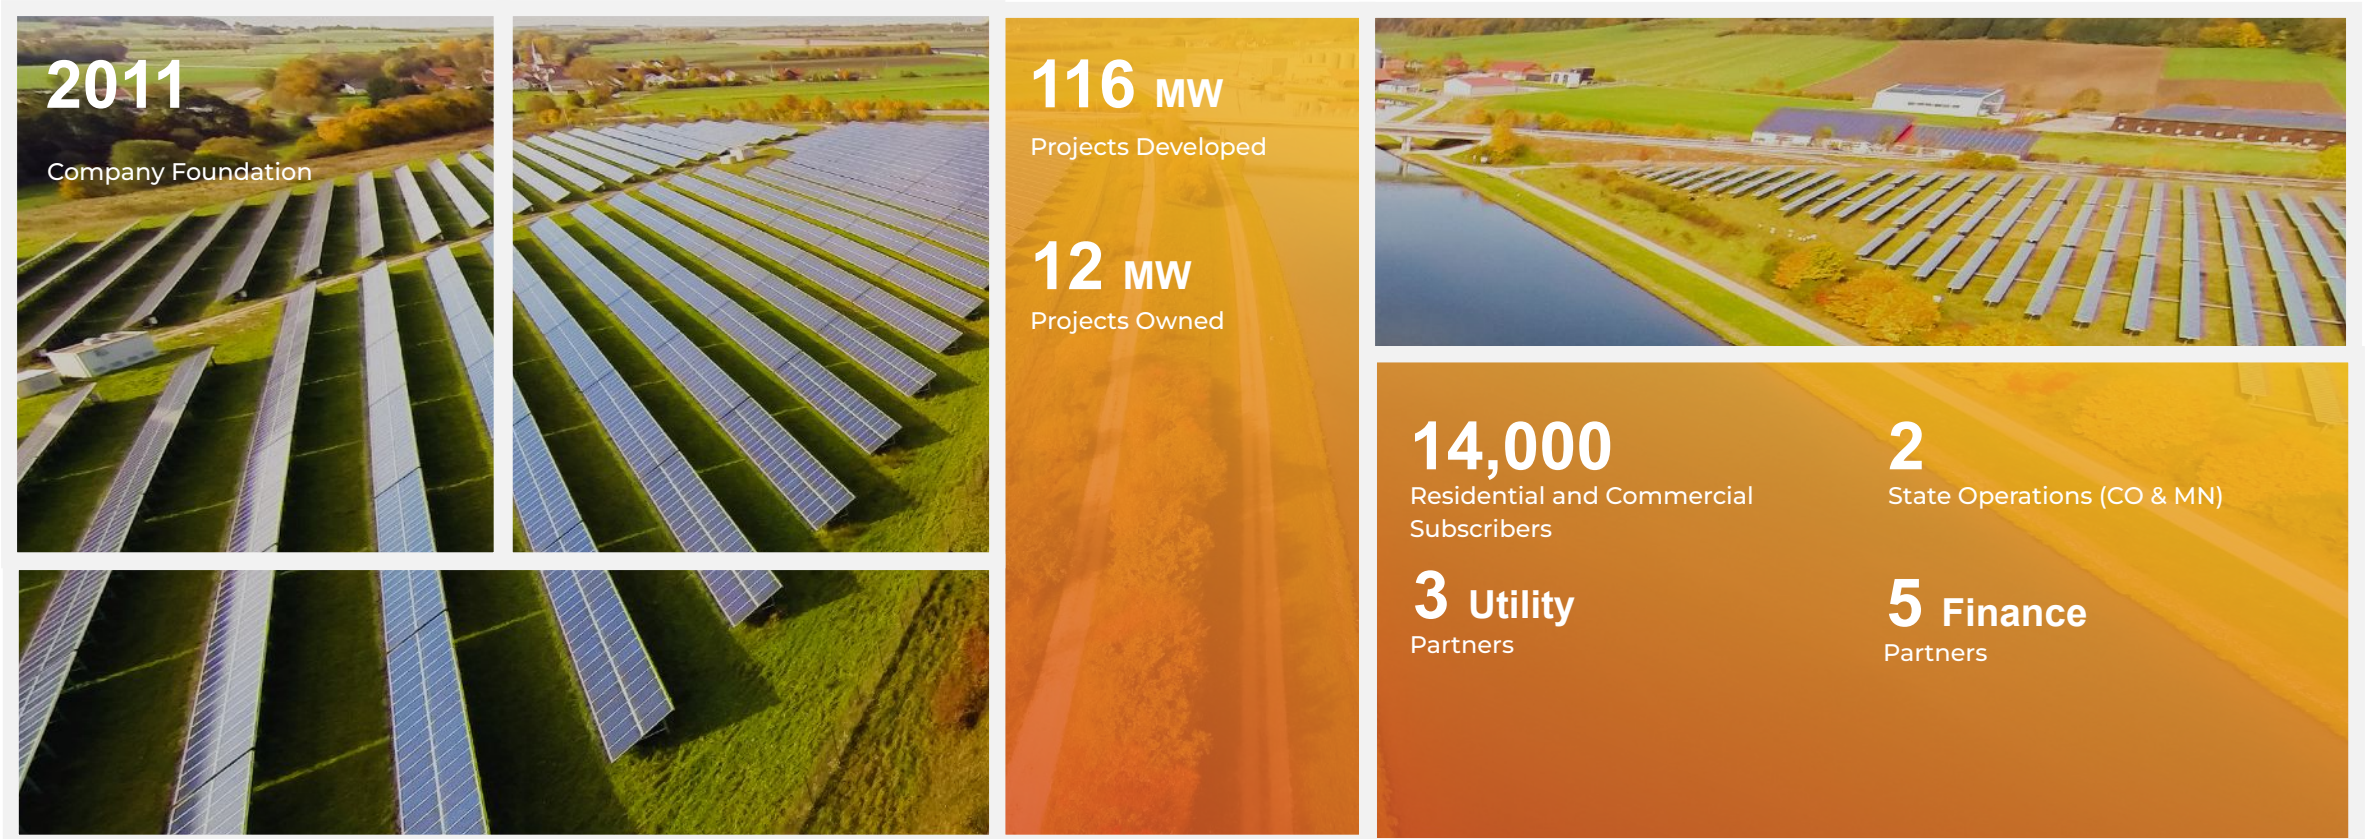

Key Benefits

Exiting the Plan

Ineligibility – If you move outside of Xcel Energy’s service territory or otherwise become ineligible to participate in the program, you have no further obligation to SunShare.

While Eligible – If you want to exit the program while you are still eligible, you may name a replacement subscriber and SunShare will transfer your subscription to that new subscriber.

Waitlist – If you want to exit the program and you do not have a replacement subscriber, SunShare will find a replacement subscriber from its Wait List.

No Waitlist– If there ever happens to be no waitlist, you may be charged an exit fee of \$250.

Note: Should you request a transfer as described above, your subscription will remain active until this transfer is complete, which may take up to 60 days to process.
